L'importance des Césars

Tout le monde comprend l'importance d'un Oscar pour l'industrie d'Hollywood, mais comprenez-vous l'importance de son équivalent français, le César ? Ce trophée récompense les réalisations et les productions les plus remarquables du cinéma français. Autrefois, le César souffrait d'une image un peu élitiste. On a donc instauré en 2018 le « César du public », qui a pour but d'attirer un public plus large.
